Email:

1. Is this a stream cleanup or a farm dump cleanup or other type of cleanup?

Stream cleanup – *Move to Question 3.*

Farm Dump – *Move to Question 10.*

Other – *Continue with Question 2.*

2. What does the material collection resemble (see pictures below)?

A: collected pile (most materials are together in one place)

If 'A' – *Move to Question 10.*

If 'B' – *Continue to Question 3.*

B: scattered over an area of land

3. Are the materials located on your personal or business property? YES NO
If no, please explain where the materials are located:

4. Are there any heavy materials (e.g. tires, laundry machines, computers) in the collection? YES NO
If yes, please list what heavy materials and how many of each:

5. Are there any hazardous material in the collection (e.g. chemicals, cleaning supplies, fuel, toner/ink) YES NO
If yes, please list what hazardous material:

6. How big of an area does the material collection cover?

We rent out stream cleanup supplies (vests, gloves, grabbers, trash bags, etc.) for stream cleanups. If there are any heavy or hazardous material, we may require a professional to assist in the cleanup and disposal of the materials.

7. Do you need assistance from a professional? YES NO
If yes, please explain why:

8. Would you like any assistance from BCCDKY? YES NO
If yes, please list the number of people needed:

**Please note that BCCDKY will try to accommodate the time and date of the cleanup as best as possible. This is on a volunteer-basis.*

9. Please list any other important information:

If there are enough heavy materials, BCCDKY will have to treat this as a farm dump cleanup, not a stream cleanup. If only treated as a stream cleanup, there is no cost associated with this program. Please review the information below and sign that you understand these guidelines.

To receive assistance under this program, you will be expected to provide at least 25% of the cost of cleaning up the dump. BCCDKY will provide the other 75% of the cost. **You will undoubtedly be notified beforehand if the material collection will be treated as a farm dump.**

10. Do you own the farm where the dump is located? YES NO
If no, please explain who the farm belongs to:
11. Do you have an Agriculture Water Quality Plan for the farm? YES NO
If no, we will provide you additional information on this program, as this is required for landowners who own over 10 acres of land.
12. Is the farm enrolled in the Kentucky Agricultural District Program? YES NO
If no, would you like additional information on this? YES NO
13. Do you currently have garbage collection services? YES NO
If yes, with what company?
- If no, how do you dispose of garbage?*
14. Is the dump close to a ditch, stream, river, pond, lake, or any other body of water? YES NO
If yes, is this water used for drinking water for people or livestock? YES NO
If yes, how close is the dump to the water?
15. The dump is located (in an open field, on a hillside, etc.):
16. To the best of your knowledge:
- a. How many years has the dump been on the farm?
 - b. When was the last time things were placed in the dump?
 - c. What types of things have been placed in this farm dump?
17. Are there any heavy materials (e.g. tires, laundry machines, computers) in the dump? YES NO
If yes, please list what heavy materials and how much of each:

18. Are there any hazardous material in the dump (e.g. chemicals, paint, fuel, pesticides) YES NO
If yes, please list what hazardous material:

19. What is the approximate size of the dump?

20. Will you restore the site according to the Natural Resource Conservation Service technical specifications for seeding and mulching? YES NO

21. Will you sign an agreement to maintain the area for 10 years? YES NO

22. Please list any other important information:

23. If possible, please provide a photo of the farm dump.

Farm dumps require professional equipment to remove debris. Please review the information below and sign that you understand these guidelines.

To receive assistance under this program, you will be expected to provide at least 25% of the cost of cleaning up the dump. BCCDKY will provide the other 75% of the cost.

Signature *Date*

If you are unable to assist with the cleanup of the farm dump or provide 25% of the cost to have the dump removed, please explain why below:

**Please submit this form to Megan Clere via email, USPS, or in person.
